Open for business: 9 am to 2 pm.

Details:

This is an entirely outdoor market in the church parking lot. Vendor area is in the parking lot next to FM 529 and is highly visible to the heavy traffic.

Quiet generators are allowed; please advise us if you plan to bring one so we may place your booth properly.

This market is inside Harris County and Harris County Health Department permit rules will apply for all food vendors. Harris County does not have permit requirements for non food vendors.

Due to the layout of the parking lots, most booths will require you to unload and move your vehicle to the vendor parking area. Vendors are welcome and encouraged to bring signs or banners that can be read by traffic on FM 529. (Beware oversized banners- Harris County does have sign permit rules!) If you have medical issues that make keeping your vehicle near your booth necessary, please let us know in your application so we may try to accommodate your needs.

We have building access at this location. Church staff will provide access to potties and AC during market days. Please be respectful of the church building so we do not lose this privilege! We will direct you to the access door during set up.

Any vendors who help advertise this market on social media and tag either Texas Makers Market or Dorothy will be entered into a monthly drawing for a free booth. Each post/share that we are tagged in is one entry in the drawing.
